

Document for accessing and using the GrainCo Internet Site

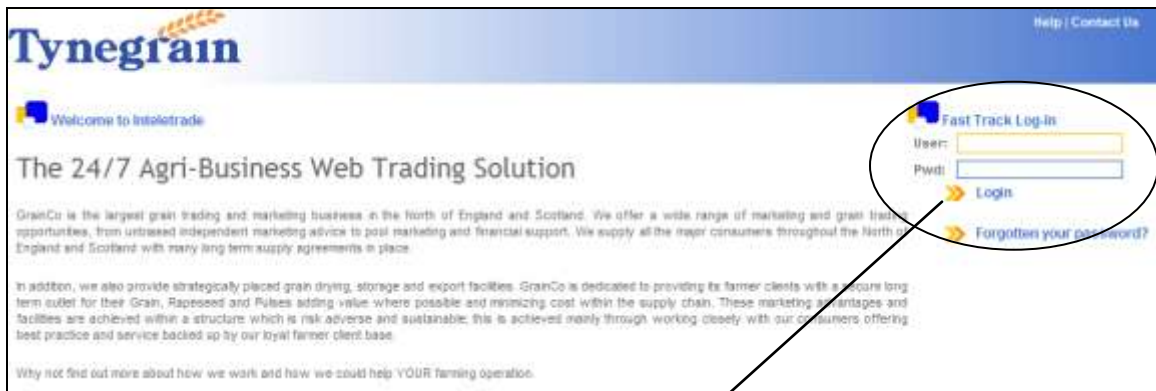

To access the site, you first need to log into the Tynegrain website site - www.tynegrain.co.uk. On the main you will see the following.

To access you account details, click on the 'Fast Track Log-in' button, situated on the top left hand side of the screen.

This will take you to the Fast Track Log-in screen on the GrainCo site.

At the top right of the screen there is the login box.

Enter you User name and password here and then click 'Login'.

This will then take you to your home page.

If you do not yet have a user name or password, please contact **Mark Bell** on **0191 428 7702**.

If you decide to change your password, it will need to be a minimum of 5 or a maximum 12 letters.

Your homepage will display your account details as follows:

The screenshot shows the Tynegrain website interface. At the top, there is a navigation bar with tabs for Summary, Storage, Contracts, Planned, Moved, Samples, and Ledger. The 'Summary' tab is highlighted in blue. Below the navigation bar, there is a header area with the Tynegrain logo and user information: 'You are logged in as: Mark Bell' and a 'Logout' button. The main content area displays account details for 'GrainCo Ltd' with a dropdown menu for the account name, a dropdown for 'Company' set to 'All', and a dropdown for 'Crop Year' set to 'July 09 - Jun 10'. Below this, there is contact information for GrainCo Ltd (001776), Tynne Dock, South Shields, Tyne & Wear, NE34 9PL, including telephone and fax numbers. A 'Regr Administrator' email address is also provided. A note states: 'If any of the above contact details are incorrect, please call us on 0191 428 7700 or you can email us at support@grainco.co.uk'. Another note says: 'If you would like to change your account password, please click [HERE](#).' At the bottom, there is a table with columns 'Group', 'Committed Qty', and 'Moved into Storage'. The table contains two rows: 'Barley' with 54,565 committed and 0 moved, and 'Wasting Barley' with 8,925,000 committed and 638,538 moved.

The navigation tabs will allow you to access various areas of the internet side, giving you visible information regarding deliveries / collections into Tynegrain (or relevant store) and direct to the end consumer.

This image shows a close-up of the navigation tabs and user information from the screenshot above. The 'Summary' tab is highlighted in blue. To the right of the tabs, there is a lock icon, the account number '001776', a user icon, the text 'All', a calendar icon showing '31', and the date range 'July 09 - Jun 10'. A 'Key' icon is also visible on the right side.

The area / tab you are presently in will remain highlighted blue.

This image shows a close-up of the navigation tabs. The 'Summary' tab is highlighted in blue, while the other tabs (Storage, Contracts, Planned, Moved, Samples, Ledger) are in a yellowish-gold color.

To view the key for the associated symbols, click on , and the following drop down box will appear.

The key legend dropdown menu shows a 'Key' icon and a refresh icon at the top. Below, there are four items: 'S Sale' (yellow square), 'P Purchase' (blue square), 'C Claim' (orange square), and 'A Analysis' (red square).

This will stay visible for 3 – 5 seconds

Throughout the site, depending what filters are selected on the main page, Inteletrade will show your selection within the top tool bar. To change these filters, you will need to go back to the selection boxes on the summary page.

To change your search criteria, click on the relevant drop down box and select as required.

When viewing information stored within the Storage, Contracts, Planned, Moved, Samples or Ledger tabs, the user will have the ability to print off or export data into another format as required by selecting the relevant icon.

Within the summary page, your account details will be shown as follows:

Should these be incorrect, please contact either your rep or email us at support@grainco.co.uk

At the bottom of the summary page, there will be a box which shows your committed and movement quantities. The committed tonnage is basis the returns sent to us on your commitment forms and the moved quantity will be the balance in store as the tonnage is moved in less any tonnages transferred onto Pool contracts.
